

PUBLICATIONS:

*Pancreatic islet cell studies in athymic nude BALB/C mice; Endocrinology; 1981
(Presented)*

*Two dimensional echocardiography and Doppler color flow mapping in the diagnosis
and prognosis of ventricular septal ruptures; Echocardiography; 1990 (Presented)*

*Use of the "pediatric" transesophageal probe in adults: a smaller probe for bigger
hearts;
Circulation; 1990*

*Atrial septal defect after balloon mitral valvuloplasty: estimation of shunt volume and
predictors of pediatric conventional/color Doppler; Echocardiography; J Am. Coll
Cardiol; 1991*

*Transesophageal echocardiographic pulmonary venous flow in severe prosthetic mitral
valve regurgitation; J Am Coll Cardiol; 1991*

*Assessment of pancreatic islet-cell population in the hyperglycemic athymic nude
mouse: immunohistochemical, ultrastructural, and hormonal studies; Pancreas; 1989*

*Mitral valve perforation secondary to infective endocarditis: diagnosis by Doppler color
flow mapping in the diagnosis of sinus of Valsalva aneurysm; Echocardiography; 1989*

*Doppler color flow mapping in the diagnosis of sinus of Valsalva aneurysm;
Echocardiography; 1989*

*Heparin and infarct coronary artery patency following streptokinase in acute
myocardial infarction; Am J Cardiol; 1990*

Echocardiographic evaluation of prosthetic cardiac valves; Cardiol Clin; 1990

*Two dimensional echocardiography and Doppler color flow mapping in the diagnosis
and prognosis of ventricular septal rupture; Circulation; 1990*

Transesophageal echocardiography; American Heart Association Counsel of Clinical Cardiology, Summer; 1990

Use of the pediatric transesophageal echocardiography probe in adults; Echocardiography; A Jrnl of CV Ultrasound & Allied Technology; 1990

Acute mitral valve perforation: diagnosis by transesophageal echocardiography; Am Heart J; 1991

Transesophageal echocardiographic diagnosis of multicentric left ventricular myxomas mimicking a left atrial tumor; J Thoracic and Cardiac Surg; 1992

Mitral valve tear complicating percutaneous valvuloplasty: diagnosis of transesophageal Doppler color flow mapping; Am Heart J; 1991

Echocardiographic evaluation of prosthetic valves; Circulation; 1991

Value and limitations of Color Doppler echocardiography in the evaluation of percutaneous balloon mitral valvuloplasty; Am J Cardiol; 1991

Usefulness of transesophageal echocardiography in the diagnosis of ventricular septal rupture secondary to acute myocardial infarction; Am J of Cardiol; 1993

Relation of coagulation parameters to patency and recurrent ischemia in the Thrombolysis in Myocardial Infarction (TIMI) phase II Trial; Am Heart J; 1993

PRESENTATIONS:

Color Doppler in the assessment of acute ventricular septal rupture; 6th Annual Symposium on Recent Advances in Echo, Conventional and Color Doppler Echocardiography; New Orleans, LA; 1990

Use of the "pediatric" transesophageal probe in adults: a smaller probe for bigger hearts; 3rd Annual University of Alabama at Birmingham Research Symposium; Lake Guntersville, AL; 1990

Pancreatic islet cell studies in athymic nude BALB/C mice; Endocrinology; 1981 (Presented)

Increased somatostatin staining cell populations in spontaneously hyperglycemic athymic nude BALB/C mice; 7th International Congress on Endocrinology; Montreal, Quebec; 1984
